A New Direction in Developmental Courses

There is a new direction in developmental education at Essex County College. If you have tested into any zero level courses, please note the following:

If you placed into ENG 085, ENG 096 or ENG 098 or are repeating any of these:

- Register for the combined **ENG 099 + ENG 101** applicable to all majors.

If you placed into MTH 086 or are repeating

- Register for MTH 086 + MTH 086T

If you placed into MTH 092, or are repeating:

- Social Science and Humanities majors
 - Register for either the combined **MTH 091S + MTH 101** or **MTH 093S + MTH 103**
- Business majors
 - Register for either the combined **MTH 091S + MTH 101** or MTH 092/MTH 092T (see your advisor)
- Science, Technology, Engineering and Mathematics majors
 - Register for MTH 092/MTH 092T

If you are registered for any developmental course or a developmental course combined with a college course:

- You are encouraged to take the **FYE 097 First Year Experience** course. FYE 097 course prepares you for the first year of college life and in it, you will learn the necessary skills for college advancement and receive continuous support.

The new approach links together developmental and college level courses. This accelerated approach will allow you to **complete your developmental sequences and get credit for a college course in as little as one semester**. The 09x courses gives you just the extra skills needed to be successful in the college course that counts towards your degree requirements.

The following pages provide additional details about the developmental course sequences and placement.

Frequently Asked Questions about MTH 091S/MTH 101 and MTH 093S/MTH 103

- 1. Do all students interested in taking MTH 101 have to take MTH 091S concurrently with MTH 101, and do all students interested in taking MTH 103 have to take MTH 093S concurrently with MTH 103?**

No, not all students have to take MTH 091S concurrently with MTH 101, and not all students have to take MTH 093S concurrently with MTH 103. The students that DO have to take the 09-level concurrent course are those that passed MTH 086 with a grade of C or better, or students that placed at MTH 092. Students that DO NOT have to take the 09-level concurrent course are those that passed MTH 092 with a grade of C or better, or students that placed at the level of MTH 100, MTH 101 or MTH 103.

- 2. What are the course grading options for MTH 091S and MTH 093S?**

MTH 091S and MTH 093S will be graded the same way that the other developmental math courses (MTH 086 and MTH 092) are graded. That is, students may earn passing grades of A, B+, B, C+ or C, and students that do not pass will receive a grade of M (making progress). MTH 091S and MTH 093S are graded independently of the respective concurrent courses of MTH 101 and MTH 103.

- 3. If students pass MTH 091S or MTH 093S, and NOT the respective MTH 101 or MTH 103 course, do students have to repeat both the 09-level and the respective 100-level course?**

No, if students pass MTH 091S or MTH 093S, and NOT the respective MTH 101 or MTH 103 course, then students only have to repeat the 100-level course. The 09-level course DOES NOT have to be repeated.

- 4. If students pass MTH 101 or MTH 103, and NOT the respective MTH 091S or MTH 093S course, do students have to repeat the 09-level course?**

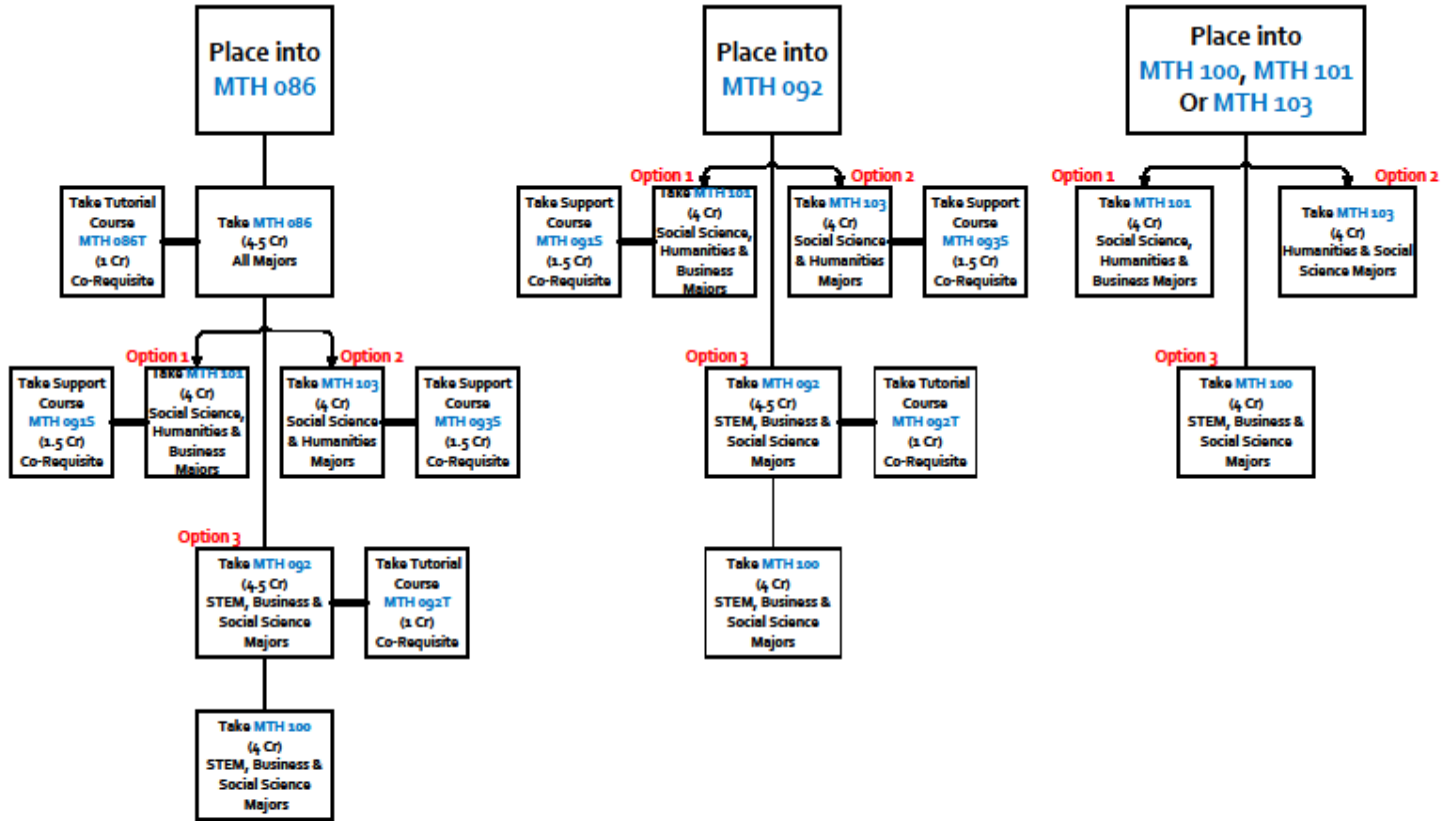

No, if students pass MTH 101 or MTH 103, and NOT the respective MTH 091S or MTH 093S course, then students DO NOT have to repeat the respective 09-level course.

- 5. What math sequence should General Science majors take?**

General Science majors that do not place at the 100-level should take the developmental math sequence that will prepare them for MTH 100. That is, students that place at the MTH 086 level, should take MTH 086, MTH 092 and MTH 100. Students that place at the 092 level, should take MTH 092 and MTH 100. Students that place at the 100-level, can take MTH 100 or MTH 101. The courses MTH 091S and MTH 093S DO NOT prepare students for MTH 100.

How to Wait List for a Closed Course

Waitlist is available to students attempting to register for sections that are full to capacity.

A Waitlist demo is on YouTube. Search for “Essex College Waitlisting.” Set the resolution to 480 or 720p for the best picture.

Getting on the Waitlist:

1. Go to **Web Services** where you register for courses.
2. **Type the CRN** of a course you want and click **Submit Changes**.
3. **If the course is closed**, it will appear under a red dot that says “Registration Add Errors” and under Status it will say “closed.” Open the Action menu of the course, **click “wait list,”** and then click **Submit Changes**.
4. You are now on the Wait List! You are not billed for Waitlisted class.

NOTE: Waitlisted courses DO appear on student schedules, but **being on a waitlist does NOT guarantee that the student will be allowed to register for the course.** Students who are de-registered (purged) for non-payment are removed from all waitlists.

Notification of open seat:

If a seat becomes available, you will receive notification in your Essex County College email account unless you changed your preferred email in Banner. **Check your ECC email frequently.** You will have a **small window of time, sometimes as little as 12 hours, to claim your seat, and the clock starts when the email is sent**, not when you read it. No one else can take your seat until your time expires.

***** **VERY IMPORTANT** *****

Remember to check your e-mail frequently. If your window of time expires, you will be removed from the waitlist and the next person in line will be given the opportunity to take the open seat. If you add yourself back to the waitlist, you will be added at the end of the line.

Registering when a seat is available:

1. The system will NOT register you automatically; you have to register yourself after you receive the e-mail notification.
2. Go to the **Web Services** where you register for courses.
3. Open the Action menu for the waitlisted course; **change the status of the class from ‘Waitlist’ to ‘Web Registered’** then click **Submit Changes**.
4. You are now registered for the course!

If you miss your registration window your only recourse is to re-add your name to the waitlist. Please be aware, some activities are irreversible. If you drop a class that has a waitlist, the seat will be offered to the student at the top of that waitlist. There is no undo!

When searching for open classes, please keep in mind that open seats are NOT available if they have been offered to students on top of the Waitlist. If the number in the **“WLAct”** column is greater than in the **‘Rem’** column, then open seats are NOT available.

(Wait Listing may not be available for certain courses)

A student may have a combination of grants, scholarships, and work-study in their financial aid package. Applicant eligibility and program guidelines are determined by federal and state regulations. For complete details, see the Financial Aid Office website at <https://www.essex.edu/fa>.

How to Apply for Financial Aid

- Create a Federal Student Aid ID (FSA ID) at <https://fsaid.ed.gov/>. You and your parent (if you are a dependent student) must create a FSA ID and password in order to confirm your identity, access specific US Department of Education websites, and to electronically sign your *Free Application for Federal Student Aid* (FAFSA®). The process of creating an FSA ID can take from one to three days.
- Complete and submit the *Free Application for Federal Student Aid* (FAFSA®). The FAFSA® is the application form for Federal student aid. It is also used by the State of New Jersey as the application for state-based student financial assistance. File the FAFSA® online at <http://fafsa.gov>, or by using the myStudentAid app (iOS App Store or Google Play for Android; see this URL for links to download the respective app: <https://studentaid.gov/apply-for-aid/fafsa/filling-out?sf109918458=1>). Be sure to include Essex County College's Federal School Code-007107 in the school section of the FAFSA®.
- Applicants should try and use the IRS Data Retrieval Tool during the FAFSA® filing process to import your/and your parent's (if dependent) tax information directly into the FAFSA®. If you do not do so, you may be required to submit a copy of the IRS Tax Return Transcript to the Financial Aid Office. See these instructions from the IRS on how to obtain the transcript: <https://www.irs.gov/individuals/get-transcript>.
- If you/ your parent do not create a FSA ID username and password, you and your parent (if dependent) will need to print the signature page for the FAFSA® and mail it to the address listed on the signature page as your application will not be processed by FAFSA® by the US Department of Education's processor until a signed signature page is submitted and received.

(Note: The FAFSA® is available for filing on October 1st and you must fill out the FAFSA® form every year you're in school in order to stay eligible for federal student aid.)

They can also be completed on the NJ FAMS website of the New Jersey Higher Education Student Assistance Authority (HESAA) here: <https://njfams.hesaa.org>. See this web-page to create a NJ FAMS Student Login: <https://njfams.hesaa.org/NJFAMS/StudentRegisterForLogin.aspx>. Private Education Loans

Private Educational Loans are private credit based educational loans. The borrower has the option to go to any lender/bank of their choice to apply and be approved by that lender/bank for a private educational loan. ECC does not participate in the Federal Direct Stafford Loan or Federal Direct PLUS Loan programs. ECC does not maintain a preferred lender list for private education loans and will certify any loan presented that requires certification not to exceed the student's cost of attendance.

FAFSA® Workshops

For assistance in completing your FAFSA® online, please attend a scheduled FAFSA® Workshop, the workshop schedule will be posted on the ECC Office of Financial Aid webpage at www.essex.edu/fa/.

Check Your Eligibility Status

Go to the MYECC.essex.edu portal to check your financial aid status 3-5 working days after you file your FAFSA®. If you are requested to submit additional documents or information, you must submit that information to the Office of Financial Aid at Essex County College, immediately. If the Higher Education Student Assistance Authority (HESAA) is requesting information from you, you must send that information directly to HESAA on the NJ FAMS website of the New Jersey Higher Education Student Assistance Authority (HESAA) at: <https://njfams.hesaa.org>.

Determining Your Eligibility for Aid

Your eligibility for aid at ECC will be determined by the Office of Financial Aid. To ensure your eligibility for financial aid is determined at the time you register for classes, file your FAFSA® at least 6-8 weeks before your plan to register for your classes. Your Financial Aid Offer Letter/Denial Letter will be at your MYECC.essex.edu portal.

Priority Processing Deadline

Essex County College's Office of Financial Aid deadline for priority processing is May 1, 2022, both, for Summer II (July 2022) consideration and for the 2022-23 academic year (starting with Fall 2022). After this deadline, you must submit the FAFSA® immediately or at least six (6) weeks before you plan to register for classes. Applications received after this deadline will be processed on a first-come, first-served basis and based on volume. If applying in July, August, September, an applicant must be prepared to pay their own registration bill and purchase books on their own. Failure to apply or submit documentation by the indicated deadlines may result in a loss of aid eligibility for all student aid programs.

What happens if I am registered, but are not eligible for student aid?

You must be prepared to remit payment for your charges per the College's billing and payment policies to maintain your enrollment if your eligibility for financial aid has not been determined.

Eligibility for Assistance in Buying Your Books

If the student aid for which you are eligible exceeds your College charges, you can, if you wish, utilize a potential credit balance to purchase books and supplies in the College Store. A Book Voucher, which will inform the student of their credit limit against their projected credit balance for use in the College Store, will be created and made available to you on your myeyecc.essex.edu portal. A student must download and print their book voucher and present it at the College Store. A book voucher will only be created if a student has or is projected to have funds remaining from all student aid for which they are eligible after your tuition and fees are paid. The College Store will be advised of any potential credit that you can use within the Store. However, if your credit balance changes and you make transactions at the Store that exceeds your credit, you will need to satisfy that difference. Please be advised, however, that a student is not required to obtain books and supplies in the College Store, and there may be more cost-effective options for a student to obtain books and supplies elsewhere.

How the Office of Financial Aid Communicates with Students

The Office of Financial Aid will communicate with students only via their ECC Email address and students should check their College email daily. Please contact your assigned Officer with any questions or concerns about financial aid process. The Officer listing, with caseload and direct email addresses, are noted on the Financial Aid Office website: www.essex.edu/fa.

Financial Aid Return of Title IV Funds

U.S. Department of Education regulation for federal student aid programs require schools to adjust federal student aid for students who totally withdraw or are dismissed prior to the 60% time period of a semester. Students who withdraw before the 60% time period of a semester will have their financial aid account reviewed, with any federal student aid adjusted in accordance with the Return of Title IV Funds policy. The complete Return of Title IV funds policy is available on the financial aid website at www.essex.edu/fa.
