

JOINT ADMISSION AND TRANSFER AGREEMENTS

Essex County College has entered into joint and/or dual admission agreements with Rutgers, the State University, New Jersey Institute of Technology (NJIT), New Jersey City University, Kean University, Montclair State University, St. Peter's College, and Thomas Edison State College. These admission agreements provide guaranteed admission with junior status to qualified students. To gain the full benefit of these agreements, students must graduate from their ECC degree program and continue their major course of study at the four-year institution. Students are urged to consult with ECC's transfer/articulation coordinator in the Transfer Center to review specific requirements.

ECC also has joint admission agreements with the University of Medicine and Dentistry of New Jersey in selected allied health disciplines under which qualified students enroll at UMDNJ during the course of their associate degree program.
