Unique Instructor– Facilitated Courses Online

We offer hundreds of engaging online courses for adults, covering every topic from Anatomy to Web Design. Every course includes an expert instructor. You can look for instructor feedback and ask questions at any time in the Discussion Areas of each course.

Most courses run for six weeks (with a two-week grace period at the end) and are comprised of 12 lessons, representing 24 or more hours of instruction. Courses are project-oriented and include lessons, quizzes, hands-on assignments, discussion areas, supplementary links, and more. You can complete any of these courses entirely from your home or office and at any time of the day or night. (*No senior citizen discount*)
