

Each year, ECC receives funds to provide grants and support services for over 1,000 students*

How do I get to be EOF?????

In Fall 2010, we will open up the application processes for new EOF students. By then we will have a better idea on who is returning and what openings there will be for new students!

The Open Application Drive announcement will be on the website, in the EOF Newsletter, and on flyers and posters around the ECC campus.

Of course, you may also call us at (973) 877-3231 (Director, Joanna Romano) or 877-3405, (Associate Director, Caroline Beretta), email us romano@essex.edu or beretta@essex.edu

*To be a funded EOF student, you must:

- ✓ Be full time registered student
- ✓ Receive State Financial Aid Grant ---- T.A.G.
- ✓ Have not earned more than 30 credits
