Basic Firefighter Training Program

This Program, which incorporates the Firefighter 1 and 2 training courses, introduces the newly hired Firefighter to the basics of nationally recognized fire fighting techniques presented in a paramilitary setting. Methods of instruction will include classroom theory, skill oriented "hands on" drill sessions, as well as a physical training and conditioning program. Student performance and progress will be evaluated throughout the course through the use of exams and evaluations, which include written, practical and physical assessments. The New Jersey Division of Fire Safety's standardized Firefighter 1 and 2 certification tests are given as part of the final exam.

The Basic Firefighter Training Program exceeds the performance objectives of the N.F.P.A. standard 1001 and N.J.A.C. 5:73 4.3 standard which will allow a firefighter to perform firefighting under direct supervision. All students will receive ICS Orientation, Bloodborne Pathogens, Right to know and Hazardous Materials Awareness and Operational Levels of training as required by N.J.A.C. 5:75-6.1, as well as certification in CPR/AED at the Healthcare Provider level.

Application Deadline: March 21, 2016
Start Date: April 4, 2016 0800 Hours
Graduation Date: June 2, 2016
Attire: See application package
Equipment: Books will be supplied by the Academy
Cost: Essex County – $1,100.00 Out of County – 1,300.00

Emergency Medical Technician Accelerated Program

This course is designed to instruct the student to the level of EMT-Basic, who serves as a vital link in the chain of an emergency health care team. It is recognized that the majority of pre-hospital emergency medical care will be provided by the EMT-Basic. This course teaches all of the skills necessary for the individual to provide care at a basic life support level while operating with an ambulance service or other specialized unit. A current Health Care Provider level CPR card is required for entry into this course and can be provided to students that are unable to get certified prior to the start of class for an additional fee.

This 240 hour course is a rigorous program that includes classroom instruction, practical skills performance and evaluation, written tests and homework assignments. The student must also complete 10 hours of clinical skills performance in a hospital emergency room.

A minimum score of 70% on all tests is required for the student to successfully complete this course and to qualify to take the New Jersey State Certifying Examination. All absences must be made up prior to taking the state exam.

For further information regarding this course please contact:
Captain Michael L. Tomich
Fire/EMS Training Coordinator

EMT- Integrated Refresher Program, Session-A, Airway (Weekend)

The EMT Integrated Refresher course is designed to review the skills, knowledge and critical thinking needed to provide optimum pre-hospital care. This session awards 8 CEU’s that will count as either core or elective credits based upon the continuing education the EMT or EMT-B has already completed.

This class includes the expanded scope of practice materials and meets the NREMT requirements of a "Transition" program. This program may also be used by reciprocity candidates and individuals with expired New Jersey EMT credentials who wish to renew their certification. This program includes both written and practical skills evaluations, therefore students are strongly advised to read a new initial or transition textbook prior to participating in this session.

The New Jersey EMT Training Fund Will Not be accepted for this program.
