

## 2021-22 STUDENT FINANCIAL ASSISTANCE OPTIONS

### FEDERAL STUDENT AID PROGRAMS

- ALL require the FAFSA® (<https://fafsa.gov>). Applicants must have a Federal Student Aid ID (FSA ID) to sign electronically. Or, download & file the paper version: <https://studentaid.gov/sites/default/files/2021-22-fafsa.pdf>. Submission of the paper version will mean a longer processing timeframe.
- Applicant must demonstrate financial need for Federal student aid at Essex County College.
- Applicant must be a U.S. citizen or an eligible noncitizen; have a valid Social Security number (except for students from the Republic of Marshall Islands, Federated States of Micronesia, or Republic of Palau); be registered with Selective Service, if male and between ages 18 and 25).
- Applicant must be enrolled or accepted for enrollment as a regular student in an eligible degree or certificate program; and maintain satisfactory academic progress.
- Applicant must sign the certification statement on the *Free Application for Federal Student Aid* (FAFSA®) stating that you are not in default on a federal student loan and do not owe money on a federal student grant and you will use federal student aid only for educational purposes; and
- Applicant must show you are qualified to obtain a college or career school education by having a high school diploma or a recognized equivalent such as a General Educational Development (GED) certificate; or completing a high school education in a homeschool setting approved under state law (or—if state law does not require a homeschooled student to obtain a completion credential—completing a high school education in a homeschool setting that qualifies as an exemption from compulsory attendance requirements under state law); or enrolling in an eligible career pathway program and meeting one of the "ability-to-benefit" alternatives.

#### Federal Pell Grants

- For undergraduates with exceptional financial need who have not earned bachelor's or professional degrees.
- Student must be a regular student enrolled in an eligible program.
- Course(s) cannot be prerequisite to enrollment into an eligible program.
- Not for courses for a high school diploma or recognized equivalent.
- Course cannot be below the level needed to successfully complete the degree or certificate program offered after one year in the remedial course.
- Course cannot be below the secondary level (as determined by a State agency, an accrediting agency, a postsecondary vocational education agency, or the institution).

Children of Fallen Heroes Scholarship Act – Beginning with the 2018-2019 award year, a Pell-eligible student whose parent or guardian died in the line of duty while performing as a public safety officer is eligible to receive a maximum Pell Grant for the award year for which the determination of eligibility is made. To qualify for this scholarship, a student must be Pell-eligible and have a Pell-eligible EFC and be less than 24 years of age or enrolled at an institution of higher education at the time of his or her parent's or guardian's death. In subsequent award years, the student continues to be eligible for the scholarship, as long as the student has a Pell-eligible EFC and continues to be an eligible student.

#### Federal Supplemental Educational Opportunity Grants (FSEOG)

- Must be eligible for a Federal Pell Grant.
- Must be pursuing first associate or baccalaureate degree.
- Must have "exceptional financial need", which is defined at Essex County College as a zero EFC.

#### Federal Work-Study

Amount offered is the maximum amount student is eligible to earn. Work-Study is NOT a grant. It provides compensated work. Earnings assumed to be invested in the student's educational expenses (see general eligibility above).
