

**Garden State S-STEM Scholarship**  
**Application 2021-2022**  
Eligibility Outline

The S-STEM Scholarship, funded by the National Science Foundation (NSF), will provide income for full time college students to complete their degree programs. The scholarship money can be used to pay for tuition, certain fees, and required texts/digital materials.

**Requirements**

- US Citizen or Permanent Resident
- Full time Essex County College Student in the Fall 2021 and/or Spring 2022
- GPA of 3.2 or Higher
- Financial Need (i.e. Pell Grant eligible)
- STEM Major

**Documents to Apply**

- Degree Evaluation (NOT Transcript)
- Pell Award Letter provided by ECC Financial Aid Department
- One Letter of Recommendation from an ECC Faculty Member
- S-STEM Application found at [www.essex.edu/gs-lsamp/](http://www.essex.edu/gs-lsamp/)

**RESPONSIBILITIES**

If selected, all students are expected to maintain all eligibility requirements, and:

- Attend all S-STEM designated meetings
- Join GS-LSAMP and participate in all activities
- Attend GS-LSAMP annual STEM Research Conference
- Participate in the cross-campus mentoring program with Rutgers-Newark
- Participate in a research experience during the 2021-2022 academic year or during the summer of 2022
