

Student Government Association

Clara Dasher Student Center, Room 202 | 303 University Avenue, Newark, NJ 07102 | (973) 877-3176 | sga@essex.edu

Who Are We

The Student Government Association provides representation in the planning, execution, and evaluation of actions affecting the College's student body, serves as a means whereby student opinions, views, suggestions, and aspirations may be properly discussed and acted upon, and provides guidance and financial assistance to student clubs and organizations.

The SGA Executive Board consists of matriculated students who have earned at least a 2.5 GPA. It functions under a constitution approved by the student body. The officers are elected each year.

The Student Government Association is located on the Second Level of the Clara E. Dasher Student Center and in the Student Lounge at the West Essex Campus.
