

# Essex County College College Regulation

## REG 5-10 AUDITING A COURSE

**Purpose:**

To establish a process regulating the auditing of courses at Essex County College.

**Application:**

1. The ability to audit a course is intended to encourage students to explore academic areas of interest.
2. No credit is granted for audited courses and audit grades cannot be used toward graduation requirements. Once a student declares intent to audit, the audit grade cannot be changed to a letter grade.
3. A grade of "Au" will be awarded at the end of the semester or term and recorded on the student's record.
4. Enrollment into a course as an audit student will be made on a space available basis.
