

Essex County College College Regulation

REG 5-11 FINANCIAL AID

Purpose:

To establish a process of financial aid management this integrates financial aid policies and procedures mandated by State and Federal agencies.

Application:

1. Essex County College will actively participate in the solicitation of funds for student assistance from federal, state and private sources and effectuate the necessary procedures to provide for the proper and efficient administration of said funds.
2. The Financial Aid Office, under the auspices of the Dean of Student Affairs, will monitor federal and state guidelines/procedures and implement programmatic changes to insure compliance.
3. The Financial Aid Office will inform students and the college community of financial aid requirements through various media.
4. The Financial Aid Office will award funds to qualified applicants in full compliance with guidelines set forth by the funding agencies.
5. The Comptroller's Office will institute the necessary controls to insure funds are being managed appropriately in full compliance of federal, state and other agency guidelines.
