C 271 POLITICAL CONTRIBUTION DISCLOSURE FORM

Contractor Instructions

Business entities (contractors) receiving contracts from a public agency that are NOT awarded pursuant to a “fair and open” process (defined at N.J.S.A. 19:44A-20.7) are subject to the provisions of P.L. 2005, c. 271, s.2 (N.J.S.A. 19:44A-20.26). This law provides that 10 days prior to the award of such a contract, the contractor shall disclose contributions to:

- any State, county, or municipal committee of a political party
- any legislative leadership committee*
- any continuing political committee (a.k.a., political action committee)
- any candidate committee of a candidate for, or holder of, an elective office:
 - of the public entity awarding the contract
 - of that county in which that public entity is located
 - of another public entity within that county
 - or of a legislative district in which that public entity is located or, when the public entity is a county, of any legislative district which includes all or part of the county

The disclosure must list reportable contributions to any of the committees that exceed \$300 per election cycle that were made during the 12 months prior to award of the contract. See N.J.S.A. 19:44A-8 and 19:44A-16 for more details on reportable contributions.

N.J.S.A. 19:44A-20.26 itemizes the parties from whom contributions must be disclosed when a business entity is not a natural person. This includes the following:

- individuals with an “interest” ownership or control of more than 10% of the profits or assets of a business entity or 10% of the stock in the case of a business entity that is a corporation for profit
- all principals, partners, officers, or directors of the business entity or their spouses
- any subsidiaries directly or indirectly controlled by the business entity
- IRS Code Section 527 New Jersey based organizations, directly or indirectly controlled by the business entity and filing as continuing political committees, (PACs).

When the business entity is a natural person, “a contribution by that person’s spouse or child, residing therewith, shall be deemed to be a contribution by the business entity.” [N.J.S.A. 19:44A-20.26(b)] The contributor must be listed on the disclosure.

Any business entity that fails to comply with the disclosure provisions shall be subject to a fine imposed by ELEC in an amount to be determined by the Commission which may be based upon the amount that the business entity failed to report.

The enclosed list of agencies is provided to assist the contractor in identifying those public agencies whose elected official and/or candidate campaign committees are affected by the disclosure requirement. It is the contractor’s responsibility to identify the specific committees to which contributions may have been made and need to be disclosed. The disclosed information may exceed the minimum requirement.

The enclosed form, a content-consistent facsimile, or an electronic data file containing the required details (along with a signed cover sheet) may be used as the contractor’s submission and is disclosable to the public under the Open Public Records Act.

The contractor must also complete the attached Stockholder Disclosure Certification. This will assist the agency in meeting its obligations under the law. **NOTE: This section does not apply to Board of Education contracts.**

Bidder acknowledges that this bid and the award of a contract are governed by the County College Contracts Law, N.J.S.A. 18A:64A-25.1 et seq. and that any legal challenges to the bidding process, the award of contract, or the rejection of any bids shall be pursued before the Board of Trustees of Essex County College following P.L. 1994, Ch. 48, Sec 6f and the Rules Governing Hearings Before the Board of Trustees of Essex County College.
- C. If a Bidder challenges or protests the award of a Bid, it shall reimburse the Owner for all costs, expenses, and losses incurred by the Owner, including all attorney's fees, because of such challenge or protest, except to the extent that the Bidder may be adjudicated to be a prevailing party against the Owner as to such challenge or protest. Under no circumstances shall the Owner reimburse to any party any fees, costs, or expenses related to a bid challenge or protest.

TERMINATION OF CONTRACT

- A. **Termination for Convenience.** The owner may terminate this Agreement for convenience without cause at any time upon ten days' written notice. Upon receipt of the notice, the Contractor shall discontinue its Work, remove its equipment, materials, and employees from the site and take such action as necessary to terminate its agreements with subcontractors and suppliers. The contractor shall then promptly deliver to the Owner a statement covering the balance owed under this Agreement for Work completed and materials ordered prior to receiving the notice of termination for convenience, for demobilization, and for any other costs for which it is liable to others by reason of such termination. Under no circumstances will Contractor be entitled to any lost profits by reason of termination for convenience. If the Owner terminates this Agreement pursuant to the provision entitled "Termination for Cause" and it is ultimately decided by a court of law or an arbitration panel that the Contractor has not failed to comply with any of the provisions of this Agreement or should not have had this Agreement terminated for cause, such termination shall be treated as a Termination for Convenience pursuant to this Clause and Contractor shall have no further or additional recourse in connection with such termination.
- B. **Termination for Cause.** The owner shall have the right to terminate this Contract after giving ten days' written notice of termination to the Contractor in the event of any default by the Contractor.
- C. **Default.** It shall be considered a default by the Contractor whenever the Contractor shall:
 - A. declare bankruptcy, become insolvent, or assign its assets for the benefit of its creditors;

- B. disregard or violate provisions of the Contract Documents or fail to prosecute the work according to the agreed Schedule of Completion, including extensions thereof;
 - C. fail to provide a qualified superintendent, competent workers or subcontractors, or proper materials, or fail to make prompt payment therefor;
 - D. shall repeatedly refuse or fail to supply enough properly skilled workers or proper materials;
 - E. repeatedly disregards applicable laws, statutes, ordinances, codes, rules, and regulations, or lawful orders of a public authority.
- D. In the event of termination of the Contract by the Owner because of default by the Contractor, the Owner may take possession of the Work and all materials and equipment thereon and may finish the Work by whatever method and means it may select.
- E. Upon termination of the Contract by the Owner, no further payments shall be due to the Contractor until the Work is completed. If the unpaid balance of the contract price shall exceed the cost of completing the Work including all overhead costs, the excess shall be paid to the Contractor. If the cost of completing the Work shall exceed the unpaid balance, the Contractor shall pay the difference to the Owner. The cost incurred by the Owner, as herein provided, and the damage incurred through the Contractor's default shall be certified by the Owner.

DISPUTE RESOLUTION PROCEDURES

- A. All claims, disputes, and other matters in question between the Owner and the Contractor arising out of or relating to this Contract or any breach thereof, except for claims which have been waived by the acceptance of Final Payment, shall be submitted to mediation within thirty days after a final determination is made by the Owner with regard to the claim, dispute or matter. The mediator shall be selected by mutual agreement between the parties or by the American Arbitration Association if an agreement cannot be reached among the parties. The mediation shall be conducted at the Essex County College, Newark, New Jersey. The cost of the mediation shall be borne equally among the parties. The mediation shall be attended by an executive officer of the Contractor who shall have full authority to act for and bind the Contractor and with duly authorized representatives of the Owner. Mediation shall be a condition precedent to arbitration.
- B. All claims, disputes, and other matters in question between the Owner and the Contractor arising out of or relating to this Contract or any breach thereof, not settled by mediation, shall be decided by arbitration in accordance with the Construction Industry Arbitration Rules of the American Arbitration Association and applicable State statutes then in effect unless the parties mutually agree otherwise. The scope of the authority of the arbitrators in issuing any award shall be limited by any statute or regulation which governs the liability or damages from the Owner. The award rendered by the arbitrators in any such arbitration proceeding shall be final and binding, and judgment may be entered upon it in accordance with applicable law in any court having jurisdiction thereof.
- C. The parties acknowledge that by choosing arbitration as their sole means of dispute resolution, they are waiving their right to trial, whether by jury or by a judge and agree to submit all statutory, contractual, and equitable claims that may arise out of this Contract and the performance of the Work to binding arbitration. The parties further acknowledge that they are choosing arbitration, in part, in order to expedite the disposition of any disputes and, toward that end, they agree to work cooperatively with the arbitrator to limit discovery while preserving their rights to effectuate a thorough prosecution of their claims and/or defense against any claims that may be raised in the arbitration.
- D. Notice of the demand for arbitration shall be filed in writing with the other party to this agreement and the American Arbitration Association. The demand for arbitration shall be made within a reasonable time after the claim, dispute, or another matter in question has arisen, and in no event shall it be made before the mediation has been requested or after the date when the institution of legal or equitable proceedings based on such claim, dispute or other matter in question would be barred by the applicable statute of limitations.
- E. The Owner, at its sole discretion, may consolidate an arbitration conducted under this Agreement with any other arbitration to which it is a party provided, however, that (1) the arbitration agreement governing the other arbitration permits consolidation, and (2) the arbitrations to be consolidated substantially invoke common questions of law or fact.
- F. The mediation and arbitration process shall not affect the Owner's right to terminate the Contractor's Work, in whole or part, whether for the Owner's convenience or due to the Contractor's default; and/or otherwise act in the public interest

Under no circumstances will a purchase order be valid for a period in excess of 90 days, unless otherwise specified. Such time shall be computed on the basis of the number of stated calendar days from the date on the order or as agreed prior to the date on order. If delivery is not made within such time, the College reserves the right to cancel the order and upon specific agreement, a new purchase order may be issued or placed the order as stated herein. Packages will NOT be received by Essex County College unless all delivery charges have been paid.

Bidders shall acquaint themselves with conditions to be found at the site and shall assume all responsibility at no cost to the College for placing and installing the equipment furnishings in the locations required. All finished surfaces shall be cleaned and polished by the Contractor prior to final payment.

NOTE: The College will be closed on Fridays during July and August; therefore, deliveries shall be made between 8:30 A.M. and 4:00 P.M. Monday through Thursday.
 - 2. The College reserves the right to reject any delivery made before or after the aforesaid times unless the schedule(s) provides(s) for different delivery times.
 - 3. All areas affected by delivery shall remain unobstructed so "business" can operate as usual unless otherwise stated by the College.
- D. All containers are to be removed from the building(s) and campus.
- E. When the bid standard in the purchase order is "as per sample," delivery shall conform to such sample when it was new and unused. Unless otherwise stated in the purchase order, deliveries must consist only of new and unused merchandise.
- G. The vendor accepts responsibility for damages to persons and property that may result from any act of his or his agent in making deliveries.

- J. EXCESS ON ORDER Only the College reserves the right to require any specified additional delivery on any item in excess of the quantity originally ordered.
- K. NOTICE TO VENDORS. Vendors are authorized to ship only those items covered by the contract. If a review of material received indicates that material other than that covered by the contract has been ordered and delivered, the Director of Purchasing will take such steps as are necessary to have the material returned regardless of the time lapsed between the date of delivery and discovery of the violation. Full credit will be demanded. Compliance with this requirement is the full responsibility of the vendor. Violation of this clause may also result in the removal of the offending vendor's name from the mailing list for a period of up to three years.

PAYMENT

- B. No payment will be made unless duly authorized by the owner's authorized representative and accompanied by proper documentation.
- C. Payment will be made following the owner's policy and procedures. Invoices shall specify, in detail, the period for which payment is claimed, the Purchase Order number, the services performed during the prescribed period, the amount claimed, and the correlation between the services claimed and this proposal.
- D. Purchase Order (P.O.) Number must appear on all invoices and must be submitted to the Accounts Payable Department at accountspayable@essex.edu.
- E. The owner may withhold all or partial payments on account of subsequently discovered evidence including but not limited to the following:
 - 1. Deliverables not complying with the project specification;
 - 2. Claims filed or responsible evidence indicating the probability of filing claims;
 - 3. A reasonable doubt that the contract can be completed for the balance then unpaid.

When the above grounds are removed, payment shall be made for amounts withheld because of them.

- F. Public funds may be used to pay only for goods delivered or services rendered. The owner shall not pay penalties and/or interest on overdue bills unless otherwise required by law. No employee is authorized to sign a letter of credit or any other document that represents a legal commitment on the part of the owner to pay additional fees.
- G. **Owner's right to withhold payment:** The owner shall have the right to withhold payment to the Contractor in the event

that a 10-day cure notice has been issued to the Contractor and the required cure has yet to be fully implemented. Such payment withholding shall be in such amount to cover 120% of the Owner's estimated cost of having to implement the needed cure at its cost. Where a termination notice has been issued to Contractor, no further payment shall issue to Contractor, except in accordance with the termination-for-cause provision elsewhere in this Contract. Where Contractor has caused the Owner to be exposed to third-party claims, Owner shall have the right to withhold payment in an amount equal to 120% of the estimated liability of the Owner on such claims.

CONTRACT RENEWAL OR EXTENSION

In the event, the Contract has an extension or renewal option by the Owner and the Owner determines that it is in its best interest to extend or renew the contract, the Contractor will be so notified in writing at least 30 days prior to the expiration date of the existing Contract. In the event that Owner determines to exercise the renewal or extension option, the Contractor agrees to provide the Services for the period of renewal or extension determined by the Owner. The contractor agrees to pay at least the minimum wage, as such rate may be increased over the term of the Contract, as may be extended at the sole discretion of the Owner in accordance with the provisions of the Request for Bids.

OTHER PROVISIONS

- A. Both parties agree to comply with all requirements of the Federal Health Insurance Portability and Accountability Act of 1996 ("HIPAA") as may be amended from time to time, and the corresponding HIPAA regulations for the confidentiality and security of medical information. If awarded the bid, the contractor shall:
1. Not use or disclose protected health information other than as permitted or required by law
 2. Use appropriate safeguards to protect the confidentiality of the information
 3. Report any use or disclosure not permitted

The contractor, by execution of the contract, shall thereby indemnify and hold the owner harmless from all liabilities, claims, actions, costs, and penalties that may be incurred as the result of the failure of the contractor to comply with the requirements of the Health Insurance Portability and Accountability Act (HIPAA) or any other statute or case law protecting the privacy of persons using its services.

- B. The owner shall retain all of its rights and interest in all documents and property both hard copy and digital furnished by the owner to the successful bidder (contractor) to assist the contractor in the performance of this contract. None of the documents and/or property shall, without the written consent of the owner, be disclosed to others or used by the contractor, or permitted by the contractor to be used by their parties at any time except in the performance of the resulting contract.

The contractor shall not have the right to use, sell, or disclose the total of the interim or final work products, or make them available to third parties, without the prior written consent of the owner. Any information supplied to the owner may be required to be supplied on CD/DVD or USB flash drive media compatible with Microsoft Windows, and Microsoft Office Suite 2010 or greater.

- C. Under state and federal statutes, certain government records are protected from public disclosure (e.g., HIPPA, FERPA, and others). The owner, the contractor, and any subcontractors have a responsibility and an obligation to safeguard from public access student and employee personal information with which it has been entrusted when disclosure thereof would violate a student's right under the federal Family Educational Rights and Privacy Act (FERPA) and the employee's reasonable expectation of privacy. All payroll, personnel, and health insurance-related files are confidential. According to the New Jersey Open Public Records Act (OPRA), the owner retains the right to make any public disclosure under the law unless a claim of confidentiality under OPRA is made and sustained by the college. Also, among government records deemed confidential is administrative or technical information regarding computer hardware, software, and networks that, if disclosed, would jeopardize computer security. The contractor and any subcontractor(s) are prohibited from the sale or distribution of all supplied information to any third party.
- D. Proof of licensure for any activity regulated by the State of New Jersey and required to do the work required under this specification, for either the firm or the person responsible for the work, shall be provided as required by the owner.

NOTICE TO CONTRACTORS

The Essex County College requires as a condition precedent to acceptance of proposals, a sworn statement executed by, or on behalf of, the person, firm association, or corporation to whom such contract is to be awarded, certifying that such person, firm, association, or corporation has not, either directly or indirectly, entered into any agreement, participated in any collusion, or otherwise taken any action in restraint of free competitive bidding in connection with such contract. The form for this sworn statement is included in the proposal and shall be properly executed in order to have the proposal considered. Failure to execute the Equal Employment Opportunities, Non-Collusion Statement, Statement of Ownership Disclosure, Affirmative Action, Business Registration Certificate, and other specified prerequisites will automatically disqualify the proposal.
