Campus Emergency Alert Notification System

The Campus Emergency Alert Notification System is a comprehensive notification system that alerts the campus community in the event of an emergency.

How To Register Your Cell Phone for Emergency Alert Notifications:

- Log onto the MyECC portal at: <http://myecc.essex.edu>. The portal is located at the bottom of the page.
- Enter your area code, then enter your 7-digit cell phone number
- Select your cell phone provider from the drop-down menu
- Select "Subscribe"
- Then click on the "Submit" button

How Does It Work?

In case of an immediate emergency, the campus public address system will alert the campus community to check one of the following for important information and/or instructions.

- Your phone, voice or text message (enrollment in the Emergency Alert Notification System required)
- www.essex.edu and the campus alert page of the website
- The Campus Police Department at 973-877-3312 or 877-3135
- Closed circuit TV screens in various high trafficked areas of campus buildings.

The public address system audible alarm will only sound in the event of a real and immediate threat. For other emergencies, such as weather emergencies or class cancellations, the siren will not sound, but all other communications channels will provide information.
