

The Essex County College Graduate Survey is administered three times a year every year to the most recent group of graduates. This survey aims to understand the graduate's perspective on their experience at Essex and how it has prepared them for life after graduation. It is sent out in three installments and combined to be analyzed together. This survey was sent to a total of 948 graduates. There were 184 responses bringing the response rate to 19.41%.

Which statement best describes your primary objective for first attending Essex?

To what extent did you achieve your objective?
