DID YOU KNOW...

Essex County College offers more than 60 Associate Degree and Certificate programs.

Essex County College offers a strong Dual Enrollment program. In May 2024, 131 High School students earned an Associate Degree through this program.

ECC transfers more graduates to Rutgers, NJIT and Montclair than any other Community College in New Jersey.

We are accredited by the Middle States Commission on Higher Education. Additionally, our Business, Technology, Nursing & Health Sciences programs carry national programmatic accreditation.

Our Bloomberg labs at the Newark and West Essex campuses provide students with real-time data on financial markets, economics, supply chain and health sciences.

ECC is one of only six two-year colleges serving as a member of the NASA Community College Aerospace Scholars program – providing invaluable experiences to our students through simulations, team projects, mentorship and internships.

We are designated by the federal government as a Predominantly Black Institution (PBI) & Hispanic Serving Institution (HSI).

OUR MISSION: *Essex County College is an open-access community college that serves the diverse needs of students through comprehensive educational programs, training, and continuing education. Essex County College is dedicated to academic excellence and the success of its students.*
