ALTERNATE ROUTE TO TEACHING

Is teaching a field you have always imagined for yourself? Was becoming a teacher a dream that you deferred for any number of reasons? Can you see yourself in a classroom shaping the lives of our future generation? If you have a bachelor's degree or higher you could be the perfect candidate for the **New Alternate Route**Teacher Preparation Licensure Program.

The Essex County College teacher preparation program is a rigorous, comprehensive, hands-on hybrid, two-year non-traditional teacher training program approved by the New Jersey Department of Education (NJDOE). This program is designed to attract those who are passionate about becoming a licensed Elementary K-6 Teacher or Secondary Teacher in the areas of Biology, English, Mathematics and Social Studies in any NJ school setting. Our immersive 500-hour non-credit, hours-based program allows prospective teachers to work in the classroom, as the teacher of record while completing the 2-year program at an affordable cost.

Admission is open to anyone who has a Bachelor's degree or higher from an accredited college or university with a G.P.A. of 3.0 or higher for graduates after September 2016 or G.P.A. of 2.75 if graduation occurred prior to September 2016.

Phase 1:

The Elementary K-6 Teacher or Secondary Teacher Endorsement Program begins with the Pre-Service **50 Hour Introduction to the Teaching Profession course.** Topics covered to prepare the novice teacher to enter the classroom include:

- an overview of the teaching profession
- characteristics of an effective teacher
- classroom management
- lesson planning
- classroom diversities
- technology integration across the curriculum

The 50 Hour Intro to Teaching course is a **mandatory** component, in conjunction with the appropriate Praxis exams, to earn a **Certificate of Eligibility (CE)** from the NJDOE. This CE allows prospective teachers to be hired in school districts as provisional teachers.

Phase 2:

Upon a prospective teacher earning a CE and being hired by a school district, they are able to enroll into our 450-hour licensure program. For the next 2 years the novice teachers will be working in Elementary K-6 or Secondary School classrooms under district contracts, being mentored by an on-site master teacher, while taking classes in subject area pedagogy, methodology and learning strategies to become effective classroom teachers. The program includes 90 hours of special education course work. At the end of 2 years you will become a fully certified teacher in the State of New Jersey.

Our program faculty is composed of current school district administrators ranging from school principals to district superintendents, who are passionate and deeply committed to insuring that only the most highly trained educators enter our New Jersey classrooms to teach.

Think you are ready to enroll? Still have more questions? To learn about the program, call 973-877-1869 or email ehay@essex.edu

ADULT LEARNING CENTER

Essex County College, Adult Learning Center offers free high school preparation, citizenship, English as a Second Language and MOS Certification courses to Essex County residents 16 years old and older, through NJDOL funding. Space is limited. Classes are available Monday- Friday 8:30am-1:30pm; Monday-Thursday 5:30-9:30pm or Saturday 9:00am-1:00pm

High School Equivalency Preparation

Pre-algebra

This course will prepare students who plan to take the High School Equivalency (HSE) exam and/or enroll in postsecondary education using the College and Career Readiness framework. Additionally, it provides participants with the opportunity to develop their number sense abilities, gain practice answering open-ended questions and solve problems based on real life situations. The following topics are taught: integers, fractions, square roots, step equations, linear equations and decimals. Students are also taught how to solve basic equations using variables.

Interpreting the English Language

This course is designed to further develop language and writing skills with a focus to prepare students to take the High School Equivalency (HSE) examination. Upon course completion, students will be better prepared to read, write and apply the English language as it relates to their responsibilities in life and in the workplace.

U.S. Citizenship

This course will prepare students to take each section of the U.S. Citizenship Test and it will cover topics such as Civics, the U.S. Government, History, Geography, Reading, and Writing. It will also cover tips on how to study for the test and how to most effectively prepare themselves for the test and English as a second language.

Non-Credit English as a Second Language (ESL) course offerings:

Beginning ESL Literacy

This course is designed for the individual who cannot speak or understand English, has no reading or writing skills in any language, and can communicate only through gestures or a few isolated words. The course will also assist students at the Beginning ESL language level who understand and write frequently used words in context and simple phrases and/or sentences.

Beginning ESL

The course assists students who speak and understand limited English; can use words in context and write simple phrases and/or sentences; and can perform simple arithmetic operations. The course will focus on basic grammar, vocabulary, and conversation skills, with an emphasis on practical application in real-life scenarios. Prerequisites: This course is designed for students who have some experience with English but are still at a high beginning level. Students should have a basic understanding of English grammar and vocabulary, but may still struggle with listening, speaking, reading, and writing in English.

Intermediate ESL

This ESL course is designed to help intermediate level students improve their English language skills in order to communicate more effectively in a variety of situations. The course will focus on building advanced grammar and vocabulary skills, improving reading and writing abilities, and developing stronger conversation skills. Focus will be placed on advanced grammar concepts, such as complex sentence structure, verb moods, and conditionals; A wide range of vocabulary words, including academic and technical language; and computer skills needed for post-secondary education.

Advanced ESL

This course addresses the needs of the individual that is able to converse on many everyday subjects, read and write simple descriptions, shorts essays, and narratives on familiar topics, have consistent use of basic punctuation and able to function independently to meet most survival needs. Focus will be on advanced grammar and vocabulary, reading and writing at a high level, and advanced conversation and presentation skills Throughout the course, students will learn:

- Complex grammar concepts, such as advanced tenses, subjunctive mood, and reported speech
- Advanced vocabulary words, including idioms and phrasal verbs
- Strategies for reading and comprehending complex written texts

Senior Citizen Registration

Senior Citizens (60 years of age or over) who are residents of Essex County have the following registration options available to them:

Option 1: Tuition and Fees Waived

No charge to Essex County residents. Seniors registering through waiver will be notified three days before class begins if their registration has been accepted. All seniors MUST meet the prerequisite requirements specified for any course and Certificate Program, prior to registration. Courses cannot be taken simultaneously at various locations. Only one course can be taken at one location per semeter.

Option 2: Payment of Tuition & Fees Senior Citizens can ensure a seat in a class by paying the regular tuition. Senior Citizens can no longer be eligible for tuition waiver for this course once payment is received.

Option 3: Courses for Seniors Only

Senior Citizens can enroll in courses specifically for Seniors at no cost. In order to respond to a high demand for these courses and accommodate our Senior students in a fair manner, those Seniors who have taken Senior-only courses during the previous Fall 2024 and Spring 2025 semesters are not eligible to repeat them during the Fall 2025 and Spring 2026 semesters, unless there is space available for repeat students in the current program year.
